## Experience

### **Active Ingredients**

June 2008 - September 2008

Created website layouts and email templates.  
I was also responsible for creating and maintaining  
existing website graphics.

### **Brandimage**

January 2008 - March 2008

Worked on a redesign of a non-profit website and  
collaborated with art directors to come up with  
storyboards and then animate them in after effects.

### **Domin-8 Enterprise Solutions Inc.**

January 2007 - March 2007

Developed an icon set for existing property  
management software. Reskinned existing online  
software and worked with engineers on UI of  
a product that has yet to be released.
